

SBL Fire Solutions

Saving Life and Property through fire containment

Privacy Policy

This privacy Policy has been compiled by SBL Fire Solutions Ltd to comply with the General Data Protection Regulations (GDPR) 2018

The purpose is to inform individuals of the means of collecting, processing and security of the data. As well as the length this is held, our obligations and the rights of the data subject

Should you have any queries or concerns please do not hesitate in contacting our nominated Data Controller & Data Processor Keith Barclay, via telephone 01795 437837 or email keithbarclay@sblfire.com

SBL Fire Solutions Ltd Data collection falls into three areas – External Clients, Internal Suppliers, and Employees

As a business we do not procure information from external sources or carry out any “cold call” activities.

All information gathered is done so to execute the Contract or Legal obligation of the business, held securely in the UK or other GDPR compliant Country and will not be divulged outside the business unless legally obliged to do so.

Information will be held for a period as required by contract or legal obligation, and then extended until the annual removal of information.

At any time a request can be made for a declaration of the information held by ourselves, and for this information to be deleted. Compliance of this will not be refused unless it breaks the contractual or legal obligation period mentioned above
